## **ANNOUNCEMENT PROCUREMENT FOR THE PROVISION OF COMMUNICATION CONSULTING SERVICES FOR THE SCAIRA OPEN CALLS FOR CENTRO EUROPEO DE EMPRESAS E INNOVACIÓN DE MURCIA WITHIN THE FRAMEWORK OF THE EUROPEAN PROJECT INTERREG SUDOE SCAIRA S1/1.4/F0026**

Centro Europeo de Empresas e Innovación de Murcia (CEEIM or Contracting Body), with VAT number G-73552366 and address: Calle Campus Universitario de Espinardo, Nº7, 30 100 Murcia (Spain), has been awarded as beneficiary of the Project ***S1/1.4/F0026 Creation and Acceleration of Start-ups in Rural Zones to foster sustainable manufacturing (SCAIRA)*** implemented within the framework of the “Interreg VI-B Europa Suroccidental (Sudoe)” programme, co-financed by the European Union through FEDER funds.

Within the Project, three open calls will be launched to select the participants (entrepreneurs and startups) of the tailor-made mentoring and acceleration programme, responding to the challenges proposed by the industrials.

For this, CEEIM requires the services of a consultant to provide support in the communication and dissemination of the opportunities of the programme activities in order to maximise the audience of the open calls and contribute to reach a high number of applicants (entrepreneurs and startups).

### **SCAIRA Project**

The SCAIRA project, led by Aerospace Valley, a French cluster of aerospace engineering companies and research centres, has 12 partners in total from France, Spain and Portugal, and focuses on the green transition of production in the Aerospace and Automotive sectors. SCAIRA aims to foster and attract economic assets in rural areas, boosting the creation and acceleration of 45 start-ups in the different territories. In addition, collaboration with regional clusters and industry will be promoted to identify emerging challenges and offer innovative responses, thus contributing to the revitalisation of the production sector and rural areas.

### **Terms of reference**

More details on the terms of reference of the procurement can be found [here](#).

### **Submission of tenders**

Tenders shall be submitted electronically with the financial proposal (including and excluding VAT) and the technical proposal. Both must clearly indicate the title of the bid and the bidder's identification data (name, address, email, telephone, VAT number).

**Deadline for submitting bids:**

Initial deadline: 31<sup>st</sup> of October 2024.

**Extended deadline for submitting bids: 14<sup>th</sup> of November 2024. Any offers received after this date will be automatically rejected.**
